

FIG. 1

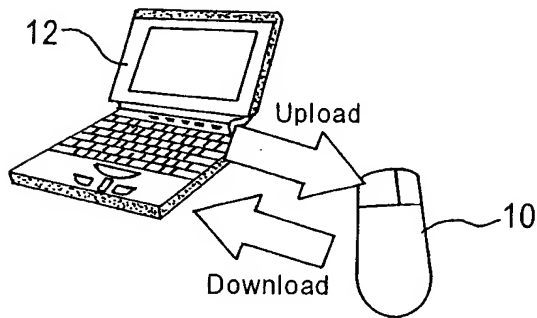

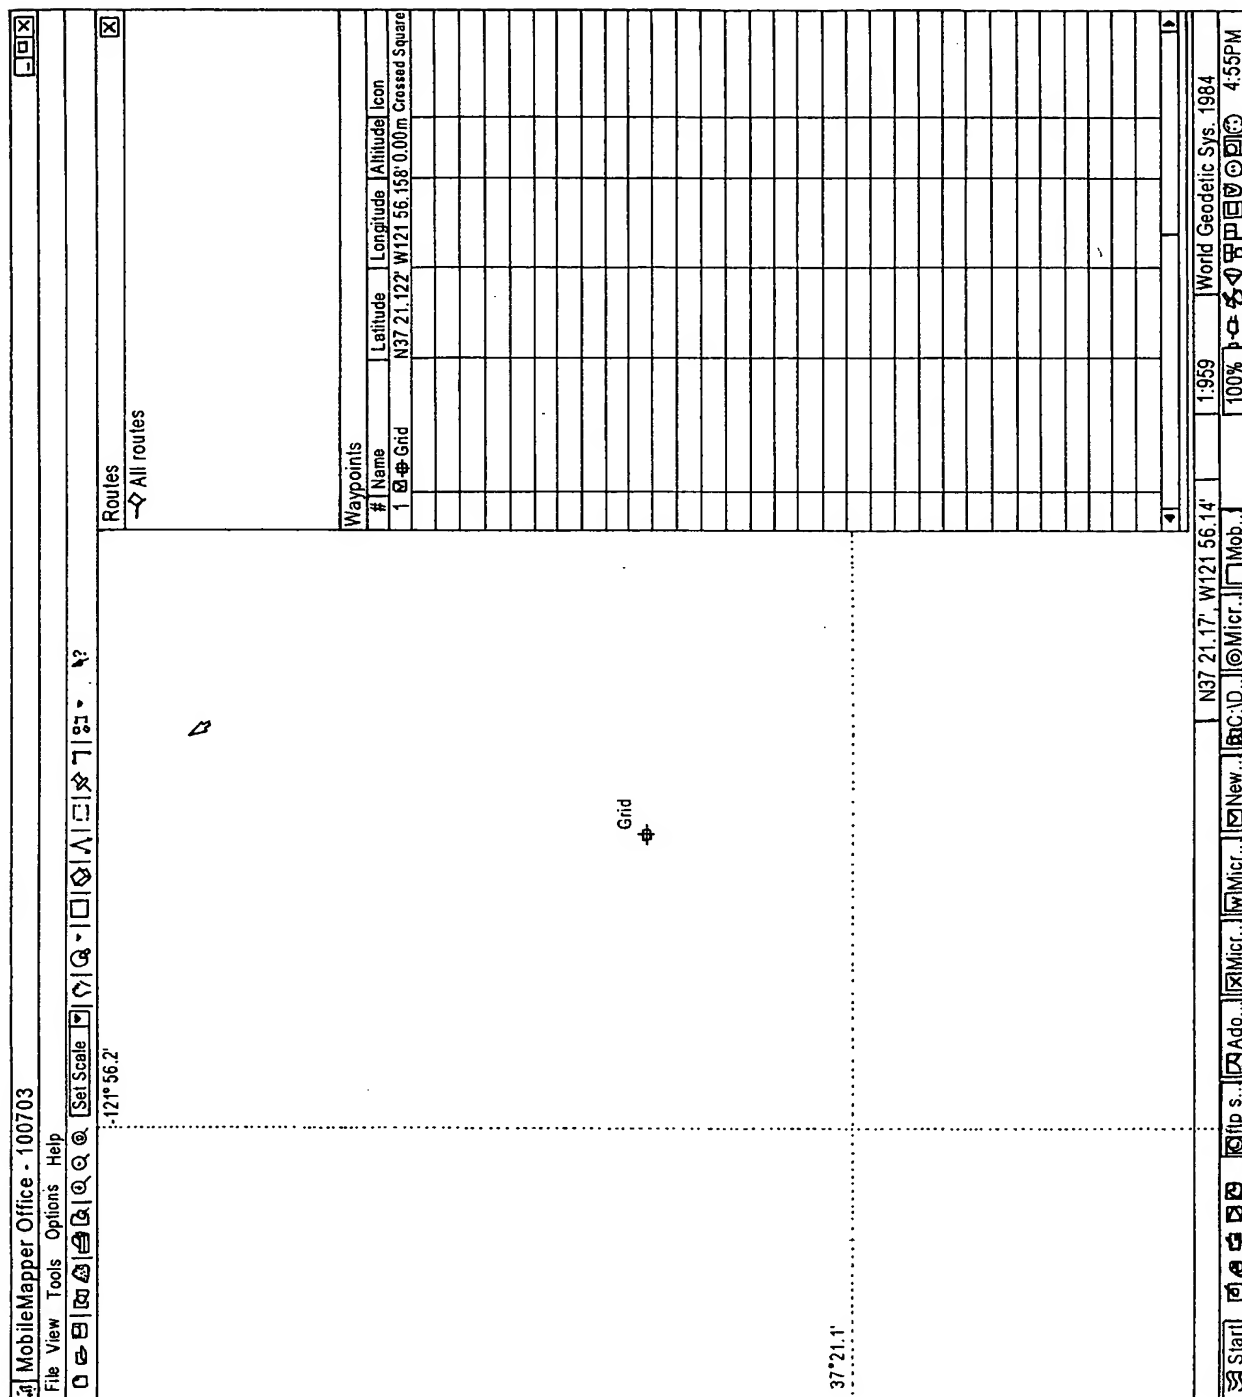

FIG. 2

A screenshot of a software dialog box titled "Insert Feature Type" (20). It contains a text input field for "Feature Type Name" (28). Below this is a "Geometry Type" section with four radio button options: "Point" (25), "Line" (24), "Area" (23), and "Grid" (22). To the right of these options are two buttons: "Add" (26) and "Close" (27).

FIG. 3

A screenshot of a software dialog box titled "Insert Attribute" (30). It features a "Feature Type" dropdown menu currently set to "Hydrant". Below this is an "Attribute Name" text input field (32). Underneath is an "Attribute Type" section with three radio button options: "Menu" (34), "Numeric" (36), and "Text" (38). To the right are "Add" (39) and "Close" (37) buttons.
